

The Step Back Foundation's 2020-21 "Live Like Bolle" Scholarship Application For Cape May County 8th Grade Students

This scholarship is in honor of Mr. Bill Bolle, who unfortunately passed away in October of 2017. Mr. Bolle loved and promoted high school athletics. High school sports change the lives of many high school students by improving their work ethic, staying active, building memories, and of course, forming relationships that will last a long time. But most importantly, Mr. Bolle valued his family more than anything.

Students who plan on playing at least one high school sport next year are eligible for this scholarship.
